The Candidatures need to be send by fax or mail. Returning this candidature doesn't engage us in anything.  
We want to create a logical web connection between us for our clients.

**Free Partnership:**

When we accepted your candidature, we will send you our weblink and banner. We will ask the same things. We add each other these elements on our link page. Our link will content a target blank and each time a client will click on your link a new window will be opened. We will take 3 weeks to make the link to your webpage.

**Payable Partnership :**

When we accepted your candidature, and payment of 50€HT/year, we will send you our weblink and banner. We will ask the same things. We add each other these elements on our link page. Our links will be a strong one and profitable for each. If our link on your web page is not a strong one, we consider you don't respect the partnership, we keep your payment and delete your link in our webpage. The link will be made after one week.
