Carved limestone fireplace, a reissue of a classic French Regency mantel

This beautiful French Regency fireplace is carved by hand in the stone of Estaillades (a white limestone extracted in Provence). This mantelpiece in stone features a pair of shapely jambs with beautiful shell-shaped carvings at the top. The lintel is monolithic and presents finely hand-sculpted geometric shapes and is topped by a thin molded tablet. Hand-crafted in Provence.

Height	106 cm
Width	152 cm
Depth	63 cm

- Hearth opening : L 103 cm x H 76 cm

Price
6640 €
