This rather simple yet elegant garden fountain in carved limestone is a wall fountain hand-crafted in Provence in a natural French-extracted stone (the stone of Avy: frost resistant). It features a rectangular basin with large molded copings and a rectangular pediment topped by a finely hand-molded flat capital. Sold with a wrought iron water spout.

Height 153 cm

Width 146 cm

Depth 90 cm

- Basin's height : 60 cm
