This truly exceptional wall fountain is a large decorative garden fountain inspired by the Renaissance style. It has been very finely carved by hand and features in the center of the pediment a fauna's head as water spout. Hand-carved in the Estaillades

Taille de Pierre - Matériaux Anciens

stone in our atelier in Provence. Beautiful natural patina of time.

Height 190 cm

Width 250 cm

Depth 120 cm

- Basin's height: 50 cm
