Limestone fountains and basins

Small garden fountains in stone

Small water fountain carved in French limestone : Grand Seau

This charming wall fountain carved to look like a water-terminal is hand-carved into a natural French limestone (Estaillades or Avy). It features a monolithic round molded and shallow basin, a straight pediment decorated with a niche and hand-sculpted flutes, a large and flat capital finely molded. Sold with a water spout in forged wrought iron. Ideal for small spaces.
