Limestone fountains and basins

Small garden fountains in stone

Small garden wall fountain carved in natural stone : Murette

This small-size water fountain hand-carved in the stone of Avy (a frost resistant natural French limestone) features a monolithic bowl forming the shallow basin and a straight and rectangular pediment topped by a nice overhanging cornice. Sold with a water spout in wrought iron. A wall fountain in carved limestone ideal for small spaces like a terrace, a patio or a balcony.

Height	75 cm
