

Small wall fountain carved in natural stone with sculpted gothic rosette

This charming garden wall fountain is carved in the stone of Avy (a hard natural French white limestone). This fountain has a shallow semi-octagonal basin nicely moulded on its upper part and a pediment with mouldings and hand-sculpted Gothic rosette to enhance the metallic water spout. This 100% made in France fountain is unique and ideal for an installation in small spaces.

Height 140 cm

Width 120 cm

Depth 80 cm

- Basin's height : 40 cm
