Tables in stone and Benches in stone

Rustic-looking garden bench in frost-resistant limestone

This stone garden bench is a rectangular bench hand-crafted in Provence in a firm and frost-resistant limestone : the Avy stone. This piece of ecological and sustainable garden furniture features a long monolithic seating stone supported by two massive legs. The stone has been hand-worked to give it a more rustic and antique look. Ideal for a garden or terrace.

Height	50 cm
Width	150 cm
Depth	40 cm
