

Exceptional table in weathered Provençal limestone (Seats 12)

This long dining table, hand-crafted from "Estailades" stone, is a truly beautiful piece. Designed for indoor use, it features a thick tabletop measuring 2.50 meters long by 1.10 meters wide, with a chamfered underside. It rests on two pairs of finely hand-carved griffins-shaped legs. The stone has been aged and patinated by hand to give it the authentic appearance of an antique piece. It comfortably seats 10 to 12 guests.
