Limestone ornamental pieces

Vases, Firepots and Pedestals in stone

Pair of molded pedestals in carved limestone

These 2 pedestals are hand-crafted in our stone-cutting atelier located in the heart of Provence from Avy stone, a firm and frost-resistant limestone, quarried in France. Their low profile and finely hand-sculpted moldings make them understated yet refined decorative supports. Sold as a pair.

Height	20 cm
Width	55 cm
Depth	55 cm

Price
900 €
